

# “How’s the current aircraft market?”

## Jerry Temple Aviation has Twin Cessna Demand.

Every week, we are contacted by pilots seeking to acquire a Cessna 340/340A, 414/414A or 421B/C with many having the long-range goal of owning a Turboprop or Jet.

### Why do they contact JTA?

It's simple. They soon realize through their research from websites, magazine articles, owners' organizations, shops, advertising and referrals that everywhere they turn one name keeps appearing as the source for quality Pressurized Twin Cessnas: **Jerry Temple Aviation.**

If you own a quality 340A, 414A or 421C and wish to discuss its sale, call **Jerry Temple Aviation.** Regardless if your present desire is to purchase a Conquest or Citation, or wish to downsize or withdraw from aircraft ownership, JTA's Cessna expertise will lead to a well planned and orchestrated aircraft experience.

Visit [www.jtatwins.com](http://www.jtatwins.com) and review Buyer and Seller Services, Available Aircraft, and Temple's Tips, or simply call JTA to discuss our professional aviation services.
